

## December 2024 Grants Update

Dear friends,

Welcome to my December grants update.

This month, I want to spotlight the 2024-2025 Volunteer Grants which support the work of local community organisations by reducing barriers for volunteers and increasing participation in volunteering. Grants of between \$1,000 and \$5,000 will be available to assist eligible not-for-profit community organisations that rely on volunteers. Grants can be used to purchase communication or insurance items as well as purchase items or services to assist volunteers or volunteer-run activities that support the well-being and development of children (under 18).

More information about the program and how to apply can be found [here](#).

In addition, enclosed are many other grants which may be of interest to you.

Please feel free to share this resource with your community networks, and if my office can assist, please be in touch.

Yours sincerely,

Josh Burns MP  
Federal Member for Macnamara
